I'm Nandhini

Learn.Laugh.Live

Nandhini

I m a programmer, web developer and writer.
High on coffee and could be found chugging
bananshakes 😍

My Skills.

Programmer and Web developer

I have good command over C++ programming language and I m at beginner level in Python programming and web designing.

Writer and Reader

I m an amateur content writer of various websites, as well as could be found filling the blanks of my thoughts under the pseudonym @01cheesenwine. I m happily lost in the world of books.
